Coming Bad

Andrew W.k.

Yeah, something's starting
Don't know what it is
It won't stop starting
And I don't think I can live
It's a way to make me pay
But it just makes me mad
Another fight for another day
Look out I'm coming bad, coming bad
My life's been going 'round
But it's all coming bad again
And now my whole time's been ruined down
And it's all coming up again
Now I don't care about school anymore
And I really don't care about rules
I really don't care if I'm cool anymore
And I really don't care about you
And I don't want to go to sleep
And I'll come around all day long
And I don't want to ever have to eat again
And I'll come around 'til you're gone
'Cause I'm coming bad
