

Drifting Away Violently

Vega 4

Marching on ice to a place
That's too far off to see
Peel back the skin to uncover
The things that you feel
Send in the military and use all
The force that you need
We made a connection
I dropped the receiver again
There's a hole in the sky where
The daylight is bleeding away
I'm stuck in a place
Conversations repeat endlessly
Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently
See through the static
The panic, the silence, the lull
My head is an airport for thoughts
On their way to somewhere else
Wrapped up in memories of
Trying to forget who we are
We're stuck in the traffic
It's too hot to stay in the car
Cracks in the stone on the street
Where I lived show me things
But I'm wasting alone
I'm the only one listening to me
Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently
Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently
Oh no
Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently
Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently
Oh no
