

You Will Know

Stevie Wonder

Lonely one of young so brokenhearted
Traveling down the rigid road of life
Using pharmaceutical extractions
To find the paradiseFinds the high but comes down feeling lower
Gets down on their knees and starts to pray
Looking up to heaven for the answer
They hear a voice that saysYou will know, troubled heart you'll know
Problems have solutions, trust and I will show
You will know troubled heart you'll know
Every life has reason, for I made it soSingle parent trying to raise their children
But they would much rather not alone
Reaches out to find that special someone
To make their house a homeFinds someone but no one is the right one
Gets down on their knees and starts to pray
Looking up to heaven for the answer
They hear a voice that saysYou will know, lonely heart you'll know
Problems have solutions, trust and I will show
You will know, lonely heart you'll know
Every life has reason, for I made it soYou'll know, troubled heart you'll know
Problems have solutions, trust and I will show
You will know troubled heart you'll know
Every life has reason, for I made it soYou will know, lonely heart you'll know
Problems have solutions, trust and I will show
You will know, lonely heart you'll know
Every life has reason, for I made it so
You'll know, lonely heart you'll know
