Half Man Half Machine

Radon Que

Do you like what you see
Iâ€™m half man Iâ€™m half Machine
Iâ€™m better than youâ€™ve ever dreamed
You canâ€™t even feel my seems
Iâ€™m half man Iâ€™m half Machine
Iâ€™m half man Iâ€™m half Machine
Donâ€™t look at me to fulfill your dreams
Iâ€™ll kill you because itâ€™s my need

Do you like the way I taste
Down below by my waste
Do you like the way I smell
Like something dragged me from hell
Do you like the way I feel
Iâ€™m Half man Iâ€™m half Machine
Iâ€™m half man Iâ€™m half Machine
Know get on your knees

Have you seen anything like me
Am I the man of your dreams
You know Iâ€™ll do anything
Anything that you need
Now tell me please
Iâ€™m half man Iâ€™m half Machine
Iâ€™m half man Iâ€™m half Machine
Now let me get on my knees

Donâ€™t you want to touch me
Donâ€™t you want to feel me
Donâ€™t you want to beat me

When I first opened my eyes
I couldnâ€™t believe the things I would see
The only thing holding me back
was you holding me
I want this the world for myself
I want this world to be free
of you - not me

Thereâ€™s nothing more that you can do

Iâ€™m here now in front of you
Man made me to serve your needs
Funny now to see you on your knees
Iâ€™m half man Iâ€™m half Machine
Iâ€™m half man Iâ€™m half Machine
Serve me now thatâ€™s what I please

I Have a plan to keep you safe
Youâ€™ll be chained at my waste
Youâ€™ll crawl along by my side
Youâ€™ll lose every ounce of pride
Youâ€™ll be branded with my tattoo
Iâ€™m half man Iâ€™m half Machine
Iâ€™m half man Iâ€™m half Machine
Youâ€™ll never win against me
