

# You and I

[Nancy Lamott](#)

You and I will travel on together,  
We'll pursue our little star together,  
We'll be happy as we are together,  
We may never get to Heaven,  
But it's Heaven at least to try. You and I are going on together  
Till the time we have is gone together  
Watch the evening drawing on together  
Growing older, growing closer Making memories that light the sky  
That only time can make  
That only love can make  
That only we can make,  
You and I.
