

You Won't See Me In the Morning

Betty Davis

If I can Like ya
Oh I sure do love ya
It really aint no big thing Babay
Cuz words, they donâ€™t really matter

But If I can Say It
And you, oh you can play it
That means you donâ€™t know where Iâ€™m coming from
So tell me now, how could you dig it?

Iâ€™m feeling so good tonight
And you, you better hear my warning
If you donâ€™t do it do it to me right
I might not be here in the morning

If I can love ya
There ainâ€™t no reason, no I canâ€™t leave ya
It really aint no big thing babay
If what Iâ€™m feeling for ya donâ€™t matter to ya
And thatâ€™s why, thatâ€™s why you test me
You try your best to best me
You put me through a whole lot of changes
Iâ€™m hoping I can keep myself together

Cuz youâ€™re feeling so good tonight
But you, you better hear my warning
If you donâ€™t give it, give it to me right
You wonâ€™t feel this good in the morning

If I can Like ya
Oh I sure do love ya
But If you donâ€™t know where Iâ€™m coming from
Tell me now, could I ever need ya?
It really ainâ€™t no big thing baby
Cuz If it canâ€™t work out Iâ€™ll just leave ya

I said it ainâ€™t
No big thing babay

I said it ainâ€™t
No big thing babay
