Step Inside Love (Remastered)

Cilla Black

Step inside love
Let me find you a place, where the cares of the day
Will be carried away by the smile on your face
We are together now and forever, come my wayStep inside love, and stay
Step inside love, step inside love
Step inside love, I want you to stayYou look tired love,
Let me turn down the light, come in out of the cold
Rest your head on my shoulder and love me tonight
I'll always be here if you should need me, night and dayStep inside love, and stay
Step inside love, step inside love
Step inside love, I want you to stayWhen you leave me
Say you'll see me again, for I know in my heart
We will not be apart, and I'll miss you 'Til then,
we'll be together now and forever, come my wayStep inside love, and stay
Step inside love, I want you to, step inside love
You know I do, step inside love
I want you to stay
