

# Step Inside Love (Remastered)

Cilla Black

Step inside love  
Let me find you a place, where the cares of the day  
Will be carried away by the smile on your face  
We are together now and forever, come my way Step inside love, and stay  
Step inside love, step inside love  
Step inside love, I want you to stay You look tired love,  
Let me turn down the light, come in out of the cold  
Rest your head on my shoulder and love me tonight  
I'll always be here if you should need me, night and day Step inside love, and stay  
Step inside love, step inside love  
Step inside love, I want you to stay When you leave me  
Say you'll see me again, for I know in my heart  
We will not be apart, and I'll miss you 'Til then,  
we'll be together now and forever, come my way Step inside love, and stay  
Step inside love, I want you to, step inside love  
You know I do, step inside love  
I want you to stay
