Show Me How

The Emotions

I'm just a young girl
Dying to learn the ways of love
Just to please you
You're the only someone I love
Come on and teach meThere are so many things
That I, I just don't know
But I, I love you, love you, love you so
So the things I don't know
Show me howI don't wanna lose
Someone sweet just like you
For you make me feel like a queen
I wanna make you feel like a king
Show me howYou know I want you
How bad I need you
I want to kiss you right nowIf I don't move you
Wanna try to soothe you
And darling, please show me howThere are so many things
That I, I just don't know, oh
But I, I love you, love you, love you so
So the things I don't know
Show me howShow me, show me, show me
Show me how
Show me, show me, show me
Show me howShow me, show me, show me
Show me how
Show me, show me, show me
Show me howShow me, show me, show me
Show me how
Show me, show me, show me
Show me how
