

Hey Ya

Goo Goo Dolls

If I could give you
All the things you've been denied
Would it change you
Would you feel alive
But all that's left now
Are these words that I've been trying to say to you now
And together we'll get by somehow And all you ever wanted was someone to find
The truth you hide from everyone deep inside Hey ya, hey ya
You're the only one I want
Hey ya, hey ya And I would drown to save you
From the sinking thoughts you feel
And I'll love you just the same
So don't you ever feel ashamed
'Cause we all get tired of fighting
Just to feel like we belong
And I know you feel forgotten
But I've been here all along to say And all you ever wanted was someone to find
The truth you hide from everyone deep inside Hey ya, hey ya
You're the only one I want
Hey ya, hey ya Hey ya, hey ya
You're the only one I want
Hey ya, hey ya And you hide yourself so deep inside
Will I ever see
Ever see you
Now I'm the one who's been denied
But I believe in you
Believe in you Hey ya, hey ya
You're the only one I want
Hey ya, hey ya Hey ya, hey ya
You're the only one I want
Hey ya, hey ya Hey ya, hey ya You're the only one I want
