Chasing the Summer

Room 94

3 months since I saw her face
Looking back we were living up (living up)
It's so hard, now I miss that place
Memories of a perfect summer
For 10 days we were in the sun
Bare back we were burning up (burning up)

Sleeping in the sunshine, swimming naked in the moonlight, getting fucked of our minds on tequila

Chasing the summer
Never coming down
'Coz I want her back now
Chasing the summer
'Til another comes round
Oh I need to know how
We can start again it was something more than friends
Now I wish it hadn't ended,
Chasing the summer
Bring her back now
Bring her back bring her back now

Flash back to those better days
I took flight to another world, met a girl
Bought her a drink and she asked my name
I told her Kieran she said hers was summer

9 days then she flew away,
Next year ill be back again, to start again

Sleeping in the sunshine swimming naked in the moonlight, getting fucked out of our minds on tequila

Chasing the summer
Never coming down
'Coz I want her back now
Chasing the summer
'Til another comes round
Oh I need to know how
We can start again it was something more than friends
Now I wish it hadn't ended,
Chasing the summer

Bring her back now
Bring her back bring her back now

Bring it back now, bring it back now, bring it back
Bring it back now bring it back

Bring it back now, bring it back now, bring it back
Bring it back now bring it back

Chasing the summer
Never coming down
'Coz I want her back now
Chasing the summer
'Til another comes round
Oh I need to know how
We can start again it was something more than friends
Now I wish it hadn't ended,
Chasing the summer
Bring her back now
Bring her back bring her back now
