## Little May

Jet setter  
I think I better go  
It's been five years  
Waiting for the snow  
Blind man, if I heal you, could you tell me  
    How to go  
    Where I can be  
    'Til we get  
    'Til we get  
    'Til we get home  
    'Til we get  
    'Til we get  
    'Til we get home  
    Don't let us  
    I'm getting better now  
    Don't wanna go  
    Still keep coming down, down, down  
    Your fine line in my mind, babe  
    Kills me right there  
    You're keeping me behind you  
    All I wanna do is find you  
I don't think we'll ever know, 'til we get home  
I don't think we'll ever know, 'til we get home  
I don't think we'll ever know, 'til we get home  
I don't think we'll ever know, 'til we get home  
    Jet setter  
    I think I better go  
    It's been five years  
    Waiting for the snow  
    Your fine line in my mind, babe  
    Kills me right there  
    You're keeping me behind you  
    All I wanna do is find you  
I don't think we'll ever know, 'til we get home  
I don't think we'll ever know, 'til we get home  
I don't think we'll ever know, 'til we get home  
I don't think we'll ever know, 'til we get home  
    'Til we get  
    'Til we get

'Til we get home  
'Til we get  
'Til we get  
'Til we get home  
'Til we get  
'Til we get  
'Til we get home  
'Til we get  
'til we get  
'til we get home

I don't think we'll ever know, 'til we get home
