

If She Knew What She Wants

The Bangles

If she knew what she wants
(He'd be givin' it to her)
If she knew what she needs
(He could give her that too)
If she knew what she wants
(But he can't see through her)
If she knew what she wants
He'd be givin' it to her
Givin' it to her
But she wants everything
(He can pretend to give her everything)
Or there's nothing she wants
(She don't want to sort it out)
He's crazy for this girl
(But she don't know what she's lookin' for)
If she knew what she wants
He'd be givin' it to her
Givin' it to her
I'd say, "Her values are corrupted
But she's open to change"
Then one day she's satisfied
And the next I'll find her cryin'
And it's nothing she can explain
If she knew what she wants
(He'd be givin' it to her)
If she knew what she needs
(He could give her that too)
If she knew what she wants
(But he can't see through her)
If she knew what she wants
He'd be givin' it to her
Givin' it to her
Some have a style that they work hard to refine
So they walk a crooked line
But she won't understand
Why anyone would have to try
To walk a line when they could fly?
No sense thinkin', I could rehabilitate her
When she's fine, fine, fine

She's got so many ideas travelin' around in her head
She doesn't need nothin' from mine
If she knew what she wants
(He'd be givin' it to her)
If she knew what she needs
(He could give her that too)
If she knew what she wants
(But he can't see through her)
If she knew what she wants
He'd be givin' it to her
Givin' it to her
She wants everything
(He can pretend to give her everything)
Or there's nothing she wants
(She don't want to sort it out)
He's crazy for this girl
(But she don't know what she's lookin' for)
If she knew what she wants
He'd be givin' it to her
Givin' it to her
He'd be givin' it to her
He can give her that too
But he can't see through her
Ooh, givin' it to her
Givin' it to her
