Where The Night Ends

together PANGEA

And tell me where the night ends, I'll tell you where
Tell me where the night ends, I'll tell you where
Tell me where the night ends
Tell me where the night ends
Up late
With white girls
And hanging out too
With slow eyes, I watch her
I wanna have you
Tell me where the night ends
Tell me where the night ends
Tell me where the night ends
Tell me where the night ends
Your long stares
You don't care
I know you want to
Short breathes a whisper
And everythings new
Your still thoughts, cant walk
So I can touch you
You're so dead, a strong kind
I wanna have you
Tell me where the night ends
Tell me where the night ends
Tell me where the night ends
Tell me where the night ends
and Tell me where the night ends
and Tell me where the night ends
and Tell me where the night ends
Tell me where the night ends
