Latency

Vanessa Elisha

They got me caught up in the same things
Not supposed to be, don't wanna be, not tryina be
Got me caught up in my fucking feelings
Not supposed to be, not tryina be
Wouldn't my whole life feel
Ran by others, couldn't go further
But if my whole life it is
If I should I
Too late to go backThey don't know, the way I really wanna do
I know it all then I walk the way I want to
They don't know, the way I really wanna do
I know it all then I walk the way I want to
There's some latency between me and you, it's alright
There's some latency between me and you, it's alrightThey got me caught up in the same things
Not supposed to be, don't wanna be, not tryina be
Got me caught up in my fucking feelings
Not supposed to be, not tryina be
Wouldn't my whole life feel
Ran by others, couldn't go further
But if my whole life it is
If I should I
Too late to go backThey don't know, the way I really wanna do
I know it all then I walk the way I want to
They don't know, the way I really wanna do
I know it all then I walk the way I want to
There's some latency between me and you, it's alright
There's some latency between me and you, it's alrightWay until it's so good, it's so good
Don't wait, don't wait
Don't wait until it's so good, you're so good
So take your time everything's gonna be alright
You don't have to worry, no
So take your time everything's gonna be alright
You don't have to say no
Take your time, take your time
Everything's gonna be alright
Take your time, take your time
Everything's gonna be alright
There's some latency, there's some latency
No one knows how it's gonna go

But we know everything's gonna be alrightcredit to lyricsontop
