

# Tribute to Bob Marley

## Cameo

Hey Bob Marley  
come play us reggae music  
come play all day  
come play us reggae music  
because we need it (we need it)  
(we need it)  
to feel it down (we need it) in our souls  
(yes we need it)  
we use it (we use it)  
woah (we use it)  
to find the music for (we use it) the young and the old (yes we use it)  
(now let me understand what you have to say)  
but now everybody listens since you've gone away  
(you talk about your troubles it's a crying shame)  
let's contemplate  
Bob Marley's reggae music  
I play all day  
Bob Marley's reggae music  
because it fuels us (it fuels us)  
woah (it fuels us)  
it fuels us with the (it fuels us) feeling of joy (yes it fuels us)  
the music (the music)  
(the kind of music) the kind of music that can brighten your day  
(from people evolutions from sea to sea\_\_\_\_(unconceivable) our family)
