

# Smells Like Funk

## Black Eyed Peas

Yeah that's funky (funky)  
Yeah that's funky (funky)  
Yeah that's funky (funky)[Chorus]  
If it smells like funk it must be us  
Funk funk out chickies dank your stuff  
If it smells like funk it must be us  
Funk funk out chickies dank your stuff  
If it smells like funk it must be us  
Funk funk out chickies dank your stuff  
If it smells like funk it must be us  
Cause nobody's funky as us  
Cause we keep it stinky, (stinky)  
We keep it stinky ( stinky)  
We keep it stinky (stinky) stinky stinky stinkyThe funk phenomenon  
We funk you on and on  
There's no need to hold your nose  
Cause this funk stink like a rose  
Big booty funk toe jam funk underarm funk  
Like you headlockin' a skunk  
Reakin' like disease, athletes feet  
The stench didn't come 'til after this beat  
Smellin' like draw's, no reason no cause  
Put your hands up on the speaker  
And get smelly like ours  
You knew we was coming  
Before we entered the door  
Cause you was smellin' rhyme  
When we walkin' down the hall  
We bring the funk worse than we dog  
Stinkin' like that ladies shittin' out  
We drop enough shit to keep the toilets clogged  
To keep the people jumpin'  
Like them in full force  
The first one who smelt it, is the one who dealt it  
The Black Eyed Peas keep the scent fly like Delta  
Funky like onions, you cryin'  
(You always cryin') girl you ain't[Chorus]Yo, you funk' with the funk family  
The non-fabricated factual faculty  
We formulatin' up in a factory

Focusin' on a the energy, the fluid flow free  
 We flawless, everything is flaw free  
 We flourish and we flaunt our flavor freshly  
 Can you believe we flipped the frequency  
 And freakin c's they all leave frantically  
 But our intentions are to be friendly  
 But they frighten when we start the free stylin' frenzy  
 I funk up your flat 'til your girlfriend leave  
 Fillin' all anatomy  
 Bringin' me flat  
 Should be diggin' these rhymes fatty beats like cellulite  
 Lyrics all flappy  
 We bring the funk to your festivities  
 If you think something stink, it must be the Peas[Chorus]Cellulite overweight stinkin' MC's  
 Stench smell so strong its unsanitary  
 Cause you sense me a mile away  
 So junky the funk sound from Serengeti  
 Meaty fat nasty like Miss Fat Booty  
 Stripes getting dirty like mud fights and dirt bikes  
 Turning these draw's black that's used to be white  
 And shittin' on these tracks that you gonna need to wipe  
 The odours so contagious that it shows up in your dreams  
 Man you can pick me out like food in between  
 Your two front teeth 'cause you be like in the streets  
 We got beefy ass beats that we bumpin' in the street  
 We salty not sweet like stink box of feet  
 Sour underarm funky, we ain't washed in a week  
 Now man we be reakin' every damn weekend  
 We can all bounce to the funk and the season[Bridge]  
 Bounce, bounce, bounce  
 Yeah that's funky  
 Yeah that's funky  
 If you smellin' somethin' funky  
 Then you know it got to be  
 Nobody other than Apl  
 Well, let's say funk  
 Cause you know that if you  
 Smell funk, then it must be us  
 If you smellin' fat funk then it must be usIf you smellin' somethin' funky  
 Then you know it got to be  
 Nobody other than Apl  
 Well, let's say funk  
 Cause you know that if  
 It smells like funk  
 Smellin' elephants, than it must be usIf you smellin' somethin' funky

Then you know it got to be  
Nobody other than Apl  
Well, let's say funk  
Cause you know that if  
It smells like funk  
Elephant shit, it must be usElephant, it's what you want  
Cellulite, it's all right  
Elephant, it's what you want  
Cellulite, it's all rightSome thing's that are fat you should not get rid of  
But there is some fat you should burn...
