

# Mr. Melody

Natalie Cole

Hey, Mr. Melody, you're on my mind constantly  
And I think of you the whole day long  
Hey, Mr. Melody, you mean the whole world to me  
Without you I would have no song  
Hey, Mr. Melody, you got me hummin' to your crazy beat  
The more I hear it the more I like it  
You really made a hit with me  
Mr. Melody, Mr. Melody You are my melody, you do the sweetest things to me  
Please won't you stay here for all time  
You are my melody, you're just as sweet as you can be  
And it's good to know you're mine all the time (yeah)  
Woh Mr. Melody, your lovin' ooh it makes me sing  
I like lovin' you, you like lovin' me please don't ever change  
Mr. Melody (Mr. Melody), Mr. Melody (Mr. Melody) Mr. Melody, you got me hummin' to your crazy beat  
The more I hear it, the more I like it  
You really made a hit with me  
Mr. Melody (Mr. Melody), Mr. Melody (Mr. Melody)  
Mr. Melody, yeah (Mr. Melody), Mr. Melody (Mr. Melody)(Mr. Melo, Melo) Mr. Melody (Mr. Melo, Melo)  
Mr. Melody,  
(Mr. Melo, Melo, Mr. Melo, Melo, Mr. Melody, Mr. Melody)  
(Mr. Melo, Melo, Mr. Melo, Melo, Mr. Melody, Mr. Melody)  
(Mr. Melo, Melo, Mr. Melo, Melo) yeah  
Oh yeah, Mr. Melody
