

Â¡Resistencia!

Fear Factory

HeyThey walk over you
As if you weren't there
Equality does not exist
In our cold life sinceThey don't know who you are
They don't care
They don't see that we are
EverywhereNation under fire
And they just sit back
They don't seem to realize
That we will fight backThey don't know who you are
They don't care
They don't see that we are
EverywhereOut of sight
Out of mind
Out of sight
Out of mindThey walk all over youLook into their eyes
Make them see their foes
Thieves are in town, feed your world
Destruct their fate to blowThey don't know who you are
They don't care
They don't see that we are
EverywhereOut of sight
Out of mind
Out of sight
Out of mindOut of sight
Out of mind
Out of sight
Out of mindOut of sight
Out of mind
Out of sight
Out of mind
