

Not The One

Collective Soul

I waltzed around you
Seven times, only to become
A melody you never sang
I'm not the one
Oh oh oh, I'm not the one
Oh oh oh, I'm not the one
Clouds of thought you
Filter through, never to reason
While patiently your world still bleeds
Who shall be the one?
Oh oh oh, I'm not the one
Oh oh oh, I'm not the one

I waltzed around you
Seven times, only to become
A melody you never sang
I'm not the one
Oh oh oh, I'm not the one
Oh oh oh, I'm not the one
Oh oh oh, I'm not the one
Oh oh oh, I'm not the one
Not the one
Not the one
