

The Rest Of My Life

Blessid Union Of Souls

I know you're heard the excuses before
So I won't waste your time and I'll keep this short
I've bound my emotions 'cause I can't afford to be wrong
I know we've talked about being good friends
So we've been real careful of the signals we've sent
But all of your glances they came and they went to my head
And I'm not a man to throw words to the wind
When I said "I love you" that's what I meant
And I plan to show you if it takes me the rest of my life
The rest of my life
The rest of my life

I don't want to rush this cause my greatest fear
is taking for granted what's taken us years
To build from the ground up with all of the tears that we cried
We've taken our time and for this I'm so glad
Now we can be sure that this moment will last
We've traveled a road of mistakes in our past to get her
And I'm not about to throw words to the wind
When I said "I love you" that's what I meant
And I'm going to show you if it takes me the rest of my life
The rest of my life
The rest of my life

And I'm not a man to throw words to the wind
When I said "I love you" well, that's what I meant
And I plan to show you if it takes me the rest of my life
