Never Lookin' Back

Kenny Wayne Shepherd

Goin' down the road walking lonesome
Goin' down the road walkin' slow
Goin' down the road walkin' lonesome
Nothin' but a heart weighed of gold
Tryin' to forget you, I gotta to shake you
Don't wanna turn to stone
Goin' down the road walkin' lonesome
Goin' down the road walkin' slow
And I'm never lookin' back
I've seen all I need to see
I don't want no more of that
Livin' in the past
I'm never lookin' back, no
Knowin' what's so wrong, that's one thing
Knowin' won't make it alright
Knowin' what's so wrong, that's one thing
That won't get you through the night
Don't need another reason for why I'm leavin'
Before I lose my mind
Knowin' what's wrong that's one thing

Knowin' don't make it alright
And I'm never lookin' back
I've seen all I need to see
I don't want no more of that
Don't wanna fade to black
I'm never lookin' back
All I know is something's gotta change
Gotta change
Show me one thing that's not shades of gray
And I'm never lookin' back
And I'm never lookin' back
I've seen all I need to see
I don't want no more of that
Don't want to fade to black
I'm never lookin' back
Oh, I'm never lookin' back
I've seen all I need to see
I don't want no more of that

Livin' in the past
I'm never lookin', oh, lookin' back
