Prayer Room
Jerell Smalls & Company

come on in the room

oh oh oh come on in the room
jesus is my doctor
write up all of my prescriptions
gives me all of my medicine
in the prayer room
in the prayer room

in the prayer room
oh in the prayer room
in the prayer room

Just keep on praying, the lord is nigh
just keep on praying, he'll hear your cry
the lord has promised, his word is true
just keep on praying
he'll answer you
