

A Real Good Try

[Josh Kelley](#)

Oh, I'm sorry
I'm sorry for the way that I've been acting
But you know it's hard to be
Everything that everyone wants me to be Yeah, I'm working on it
Working hard on it
Giving it a real good try Back in ninety three
I decided I could be most anything
Living wild and free
Strumming hard as I could on those guitar strings Yeah, I'm working on it
Working hard on it
Giving it a real good try Yeah, I'm working on it
Working real hard on it
So baby, don't worry your mind When I feel like giving up
It's so nice to have you by my side, baby
'Cause times, they do get rough
When it ain't enough, oh just to be satisfied And I'm working on it, yeah
Giving it a real good try
Giving it a real good try, yeah 'Cause times, they do get rough
When it ain't enough just to be satisfied And I'm working on it
Oh yeah, giving it a real good try
So baby, don't worry your mind
Oh, give me just a little more time
