

Stronger

S Club 7

What a feeling, you're the reason
Can't conceal that, you can't be there
You are vital to my survival
Come and sky dive into my life
Now we're inseparable, no one is acceptable but you
Our love's indestructible, our bond is unbreakable, that's true
Let the feeling take you
Now that I've got you, baby
Now that I've got you, baby
I'm feeling stronger, I'm feeling stronger
Now that I've got you, baby
Now that I've got you, baby
I'm feeling stronger, I'm feeling stronger
All stand up, stand up, stand up now
All stand up, let the music take you
Expectations, no relation
Superstition, no addictions
You're outrageous but contagious
I'm the fever that won't leave ya
Now we're inseparable, no one is acceptable but you
Our love's indestructible, our bond is unbreakable, that's true
Let the feeling take you
Now that I've got you, baby
Now that I've got you, baby
I'm feeling stronger, I'm feeling stronger
Now that I've got you, baby
Now that I've got you, baby
I'm feeling stronger, I'm feeling stronger
All stand up, stand up, stand up now
All stand up, stand up, stand up
All stand up, stand up, stand up now
All stand up, stand up, stand up
All stand up, stand up, stand up now
All stand up, let the music take you
Ah, yeah
Now that I've got you, baby
Now that I've got you, baby
I'm feeling stronger, I'm feeling stronger
Now that I've got you, baby

Now that I've got you, baby
I'm feeling stronger, I'm feeling stronger
Now that I've got you, baby
Now that I've got you, baby
I'm feeling stronger, I'm feeling stronger
