

# Guitar Money

## Hank Williams, Jr.

I had a nine to five day job at kentucky fried  
Trying to make the payments on a pick up truck and double wide  
Mamma always said son,  
Use a little common sense  
So I took her at a whirl and  
Decided I could suck them in  
I had an ol' les paul pulled out from under the bed  
And the number of a drummer knew somebody in the grateful dead  
And I got him on the line and he talked awhile  
Then he said I'm glad you called  
We need a guitar player and a man that can sing it all  
I started making me some guitar money  
Guitar money I sure do like it when the people start screaming turn it up  
Turn it up  
Guitar money  
Guitar money  
Oh it aint no wonder old elvis quit driving that truck  
We met a man in atlanta  
He said he would sign us up today  
He was a big movie maker, shaker, maker record radio might play  
Yeah maybe I will and maybe I wont  
Make it to the hall of fame  
But either way it goes you'll never hear me complain  
Yeaah and I'm making guitar moneyGgguitar money  
I sure do like it when the girls start screaming  
Crank it up  
Crank it up  
Guitar money  
Guitar money  
Hey it aint no wonder old elvis quit driving that truck  
Making guitar money  
Tee shirt money  
I sure do like it when the girls start screaming  
Turn it turn it turn it turn it turn it way up  
Hey guitar money  
How about this hit lick honey  
No it aint no wonder old elvis quit driving that truck  
Heres some for you  
Cousin jean too

And loretta, uncle hal  
And you and you and you and you  
Im making all kind of guitar money  
Times are good  
Guitar money  
Oh a whole lotta guitar money
