I Finally Found You

Top 100 Hits

I finally found you
Walkin' down the road so much older than yesterday
I finally found you
Such a heavy load upon your shouldersI finally found a home in Georgia
Sweet magnolias everywhere
Sweet love by my side
I find my world without a care
I finally found you
I finally found you
Walkin' down the road so much older than yesterday
I finally found you
Such a heavy load upon your shoulders
I finally found the love I needed
Sweet persuasion in the air
Sweet love growing ever stronger
I finally found you
Etc.
