

# Time Warp

## Ozark Mountain Daredevils

Like Houdini in the river with a lock he couldn't see  
When you think you hit the bottom then you better find the key  
Like Custer at the Horn when he turned around and said  
When you think you finally got 'em, you're just as good as dead  
It's a time warp puttin' wrinkles in your skin  
It's a rockabilly music make you silly in the end  
It's a time warp puttin' circles on your eyes  
It's a rockabilly music that's a blessing in disguise  
Like Ponce De Leon speakin' Spanish in the swamp  
I was lookin' for a fountain, but it's water that I want  
Like Pike at the top and every other freak  
I was lookin' for a mountain, I took a little peak  
It's a time warp puttin' wrinkles in your skin  
It's a rockabilly music make you silly in the end  
It's a time warp puttin' circles on your eyes  
It's a rockabilly music that's a blessing in disguise  
Like Buddah at the sermon when he didn't say a word  
If you think you hear a flower, it's a flower that you heard  
Like Da Vinci on the roof with his arm in a sling  
A man's got the power, but a bird's got the wing  
It's a time warp puttin' wrinkles in your skin  
It's a rockabilly music make you silly in the end  
It's a time warp puttin' circles on your eyes  
It's a rockabilly music that's a blessing in disguise  
Like Vincent Van Gogh when he chopped off his ear  
I'd like to give her twenty, but I still gotta hear  
Like Crockett at the wall lookin' back to Tennessee  
The livin' costs you plenty, but the dyin's still for free  
It's a time warp puttin' wrinkles in your skin  
It's a rockabilly music make you silly in the end  
It's a time warp puttin' circles on your eyes  
It's a rockabilly music that's a blessing in disguise
