

Dirty Water

The Bluesbreakers & John Mayall

I don't know where I'm coming from
Only know where I belong
There's dirty water in my bones
She, I know she will follow me
But she ain't got no sympa
She ain't got no sympathy
And I got soul but no money
She ain't got no sympathy
And I got soul but no money
Alright, okay, yeah
Alright, okay, yeah
Alright, okay, yeah
At the age of eighteen
Came on the scene clean
Now I know what pains means
Spent time in the darkest places
Beautiful faces in the dark oasis
Trying to take this to the full extent
Am I real heaven sent?
Clark Kent's my alter ego
Took that girl down to Puerto Rico
Now I find out that we're not amigos
Treated her foul never as an equal
Now I'm all sad just because my ego
Had a golden key, couldn't find a key hole
Yo, stop let the beat rock
Conscious hip hop is gettin' dropped
Wake up saw B and the little one
Little son had b-phids done
Easy come, easy go
Everyone thinks they know
'Bout the thing, high unknown
Put their thoughts on a throne
Then they name it G O D
Colonize, you and me
But I'm free in the sky
Me, myself, and I, word
I don't know where I'm coming from
Only know where I belong

There's dirty water in my bones

She, I know that she will follow me

 But she ain't got no sympa

 She ain't got no sympathy

 And I got soul but no money

 She ain't got no sympathy

 And I got soul but no money

 Alright, okay, yeah

 Alright, okay, yeah

 Alright, okay, yeah

I was walkin' down the mountainside

No matter what I did I couldn't hide

 From all the things inside of me

 Seems that I was living fantasy

 Singing, oh, how time flies

 With crystal clear eyes

 This life I know is gone

 Oh, how time flies

 With crystal clear eyes

 This girl I like is gone

 And now I leave home

 She ain't got no sympathy

 And I got soul but no money

 She ain't got no sympathy

 And I got soul but no money
