

# Critical Mass

## Teenage Fanclub

When I touched your skin  
I felt your heart beating deep within.  
And I was sure  
Everything was ?You're in my heart  
But it's the feeling that all fell apart.  
Think of me, but don't believe that I was wrong. When I switched off my feeling is when I lost control.  
Couldn't say what I was needing,  
Something I didn't know. I woke up in bed  
A cold sweat running down my head.  
And I remembered something you had said:  
(You Said) "Don't dream too long, cause when you wake up everybody's gone."  
Find someone else to sing another song.
