Only U

Afu-Ra

Well, I just wanna ride with you
Well, I just wanna ride with you
Well, I just wanna roll with youHey, hey, hey, we light it up everyday
And always seem to go when something fresh to say
Hey, hey, hey, hey, we light it up everyday
I'm talking what you talking, are you going my way?Hey, hey, hey, we light it up everyday
I'm talking what you talking, are you going my way?
Hey, hey, hey, we light it up everyday
And always seem to come when something fresh to say
Hey, hey, heyLook at me now, I'm on the come up, done up, what up, what up
Now we can build all night, until the sun'll come up
Have some of the raps yeah, we blaze and blazin'
Till my eyes roll back in my head, I feel amazingHey, hey, hey, hey, hey, hey, hey we light it up everyday
I'm talking what you talking, are you going my way?
Hey, hey, hey, we light it up everyday
And always seem to come when something fresh to say
Hey, hey, heyI just wanna ride with you
Well, I just wanna ride with you
Well, I just wanna roll with you and only uThat's right, purple haze, white widow, yeah, get me settled
I burn pirates in my head, hit the grittle, hello
Then talk about trees, so long, I put it in a song
Smoking a bong, like Cheech and Chong, that's rightWe bubble it up, we bubbling up
And all my hydro home girls, aiyo, y'all know what's up
And all my fellas that's risen, y'all play the backwoods
Get your head right, come on, y'all know it's all goodI, well, I just wanna ride with you
Well, I just wanna ride with you
Well, I just wanna roll with you and only uHey, hey, hey, hey we light it up everyday
I'm talking what you talking, are you going my way?
Hey, hey, hey, we light it up everyday
And always seem to come when something fresh to say
Hey, hey, heyI, well, I just wanna ride with you
Well, I just wanna ride with you
Well, I just wanna roll with you and only uIf you like your bats fat and your blunts real long
Let's get it on, let's get it on, let's get it on
I like my bags real fat and my spliff's real long
Let's get it on, let's get it on, let's get it onDon't you like your bags fat and your spliff real long?
Let's get it on, let's get it on, let's get it on
I like my bats real thick and my blunts real long
Let's get it on, let's get it on, let's get it onHey, hey, hey, hey, we light it up everyday

I'm talking what you talking, are you going my way?
Hey, hey, hey, we light it up everyday
And always seem to come when something fresh to sayHey, hey, hey, hey we light it up everyday
I'm talking what you talking, are you going my way?
Hey, hey, hey, we light it up everyday
And always seem to come when something fresh to say
Hey, hey, hey
