

# Monster

## Meg & Dia

His little whispers, love me, love me  
That's all I ask for, love me, love me  
He battered his tiny fists hello to feel something  
Wondered what it's like to touch and feel something Monster  
How should I feel?  
Creatures lie here  
Looking through the window That night he caged her  
Bruised and broke her  
He struggled closer  
Then he stole her Violet wrists and then her ankles  
Silent pain  
Then he slowly saw their nightmares  
Were his dreams Monster  
How should I feel?  
Creatures lie here  
Looking through the windows I will  
Hear their voices  
I'm a glass child  
I am Hannah's regrets Monster  
How should I feel?  
Turn the sheets down  
Murder ears with pillow lace There's bathtubs  
Full of glow flies  
Bathe in kerosene  
Their words tattooed in his veins, yeah
