

# I Guess This Is My Man

## The Shoe

I guess it's time to go  
I guess it's time to settle for  
I guess it's time to go  
I guess it's time to settle for  
I guess your heart is snow  
I guess my heart is a hailstone  
I guess it's time to go  
I guess it's time to go I'm guessing that you can  
I guess your heart's a man  
I'm guessing you're the one that I will remember  
I guess this is my man  
I guess this is my husband  
I guess he was the one  
I guess he was the only one that will keep me warm, at night, from now on  
I guess this was the one  
I guess this was my blanket  
I guess this was the guy  
I guess this I should thank him again  
I guess the end - I'm growing old beside him  
I guess he's getting bigger now  
I guess his heart was only as big as it began  
And I guess the end  
We're dying x3 Don't you look good, don't you look right  
Don't you look good, don't you keep me up at night  
Don't you look good, don't you look right  
Don't you look good, don't you keep me up at night I guess is the once, I guess this was the only one  
I guess I had to try, I guess I had to only try again  
Just hold his hand, just try to be with him  
I guess he's getting bigger now  
I guess his heart was only as big as it began  
And I guess the end We're dying x3  
Don't you look good, don't you look right  
Don't you look good, don't you keep me up at night  
Don't you look good, don't you look right  
Don't you look good, don't you keep me up at night
