Whatever Happened To?

Buzzcocks

What ever happened to twin sets?
What ever happened to Hi-Fi?
What ever happened to TV sex?
What ever happened to you and I?Your passion is a product
Of highlight and detail
That come hither look
Bonus offer retailWhatever happened to pickup trucks?
Whatever happened to yellow pages?
Whatever happened to burning books?
Whatever happened to new ages?Your emotions are cheap
Cut, price, cash and carry
You wear your heart on your sleeve
For any Tom, Dick or HarryYour love is a cash in check
Oh, oh that's the way of all fleshWhat ever happened to Chairman Mao?
What ever happened to God above?
What ever happened to the cow?
What ever happened to plug in love?Your pasteurized life
So fit for consumption
Ooh, those undressing eyes
So strictly commercialYour love is a cash in check
Oh, oh that's the way of all flesh
All flesh, all flesh
