

# Many Shades of Black

## Adele & The Raconteurs

Go ahead, go ahead and smash it on the floor  
Take whatever's left, and take it with you out the door  
See if I cry  
See if I shed a single sorry tear  
Can't say it's been that way  
No, in fact it's been wasted on you Everybody sees and everyone agrees  
That you and I are old  
And it's been that way too long  
Take it as it comes, and be thankful when its done  
There's so many ways to act  
And there's many shades of black  
There's so many shades of black  
There's so many shades of black  
Let it out, let it all out and say what's on your mind  
You can kick and scream, and shout and say things that are, so unkind  
Yeah  
See if I care  
See if I stand firm or if i fall  
Cause in the back of my mind, and on the tip of my tongue is the answer to you Everybody sees and everyone  
agrees  
That you and I are old  
And it's been that way too long  
Take it as it comes, and be thankful when it's done  
There's so many ways to act  
And there's many shades of black  
There's so many shades of black  
Yeah, there's many shades of black Ohhhhh  
Yeah everybody sees and everyone agrees  
That you and I are old  
And it's been that way too long  
Take it as it comes, and be thankful when its done  
There's so many ways to act  
And you cannot take it back  
Oh, you cannot take it back  
Cause there's many shades of black  
You have many shades of black  
You have many, you have many shades of black  
Cause there's many shades of black  
There's so many shades of black

There's so many shades of black  
There's so many shades of blackOhhhh ohhhh
