

Caravan

Harry Connick, Jr.

Night and stars above that shine so bright
The mystery of their fading light
That shines upon our caravan Sleep upon my shoulder as we creep
Across the sands so I may keep
This memory of our caravan This is so exciting, you are so inviting
Resting in my arms
As I thrill to all the magic charms of you You beside me here beneath the blue
My dream of love is coming true
Within our desert caravan This is so exciting, you, you are so inviting
Resting in my arms
As I thrill to all the magic charms of you You beside me here beneath the blue
My dream of love is coming true
Within our desert caravan
Within our desert caravan
