

# Something's Coming On

Joe Cocker

Something coming on, don't know what it is but it's getting stronger  
Feeling in my bones, hope you let it last a little bit longer  
Breaking out my head, doing things I never even dreamed of  
Rolling down my spine, turning on the things that'd never been turned on  
Suddenly she came in  
Looked like she'd been gaming  
Doing things with everybody else  
When I yelled out loudly  
She answered kind of proudly  
That she spent her life upon the shelf

Something coming on, Now I understand Its getting better  
I've got a feeling in my bones, what ever happens now it just donâ€™t matter Breaking out my head, I've been  
doing things I never even dreamed of  
rolling down my spine, turning on my things that'd never been turned on

Suddenly she came in  
Looked like she'd been gaming  
Doing things with everybody else  
When I yelled out loudly  
She answered kind of proudly  
That she spent her life upon the shelf

Talk about the woman....
