

# On the Dancefloor

Laurent Wery

Feel that heat risin' hard  
Hear that beat, turn it up  
They be movin', that's what's up  
They be, they be on the cup  
On the cup, do that dance  
Got me lookin' in a trance  
Just like fire, Russian dance  
Someone call the ambulance  
I like it, you like it  
We like futuristic  
Just ride it, don't fight it  
Get down to the music  
Don't stop it, can't rock it  
It's coming like a bullet  
It's burnin' like fire  
  
So go ahead and lose it  
Turn it up, break it down  
Shake it up, mix it now  
David technique for the dance floor  
Will I is a work precision  
I be cuttin' right concision  
Guetta ghetto for the dance floor  
The G, the U, the T, the T  
The A, the AA, we all play  
We be, we be ro-ro-ro-rockin' this  
Sh-sh-sh- right every day  
Feel the sound powerful  
Mega broads on overload  
Electric city pumpin' on the dance floor
