The Liar

Glenn Hughes

I can see your eyes are burnin'
I can feel your wheels are turnin'
in my heart I've been mistreated
the mistakes I've made before
I've just repeatedChorus:I should have listened
now the writing's on the wall
and you don't know what
you've been missin'
now you're headed for the fall
you're the one they call the liarin the night while you lay sleepin'
but your mind still lies awake
out there deceivingI don't want to let go
but I have to get away
now I want to let you know
that I'm leaving here today
you're the one they call the liarsay goodbye, now stop your cryin'
I won't take those alibis
oh, you've been lyin'I should have listened...by AleisterCrowley
