

# Greedy Love

Frank Ocean

i hated every time we go out  
got everybody complimenting you  
you love attention from the big crowd  
feels like im on the sidelines  
right next to suckah and i am the buster girl  
who's this other guy that sending you these flowers  
oh now you tell me your ex is your best friend.  
call me crazy  
but all i want is you to myself  
to share with NO ONE  
you can call it jealous but i call it my greedy love.  
greedy loveee x2  
oh myyy greedy love  
the smile on your face when you got that text late at night wasn't cause of me  
who else could it be?  
and why when your with your friends it's always movie night or girl's night  
feels like im ridin the bench  
right next to suckah and i am the buster girl  
on the dance floor you're showing off your best moves

you see my blown fuse cause everybody's on you  
call me crazy  
but all i want is you to myself  
to share with NO ONE  
you can call it jealous but i call it my greedy love.  
greedy loveee x2  
oh myyy greedy love  
greedy loveee x2  
oh myyy greedy love  
the only thing i wish is all that's in your heart  
tho it seems like i'm nagging ohhhh  
is wanting only me too much to ask  
when all i want is you to myself  
to share with NO ONE  
you can call it jealous but i call it my greedy love.  
greedy loveee x2  
oh myyy greedy love  
greedy loveee x2  
oh myyy greedy love
