Voices In the Night

The Generators

Sirens are ringin'
the junk yard dog starts barking
Another crime got committed down there
Bolt the windows and lock the doors
I think somebody's walkin around hereVoices in the night (3x)Found her lifeless body
Lying down by the river side
A Jane Doe's unknown ending
Somebody's got blood on their hands TonigtChorus:
I heard the Voices in the Night
As the Razor blade cuts down another life
I heard the Voices in the Night
As the Razor blade cuts down another lifeVoices in the night (3x)(repeat verse 1)Found her lifeless body
Lying down by the river side
A Jane Doe's unknown ending
In a world of murder and crimeMurder and crime (4x)ChorusWe're all living in the world of Murder and Crime
You can hear the voices
The Voices in the night (2x)
