Timber, I'm Falling In Love

Patty Loveless

Right time, the right place
The right body, the right face
Timber, I'm falling in loveIt started slow, it's coming fast
I got a feelin, it's gonna last
Timber, I'm falling in loveYou're so pretty, you look so sweet
Your love's sweepin' me off of my feet
You're the only one, I'm dreamin' of
I can't believe that I'm falling in loveWho knows how love starts
I woke up with you in my heart
Timber, I'm falling in loveYou're so pretty, you look so sweet
Your love's sweepin' me off of my feet
You're the only one I'm dreamin' of
I can't believe that I'm falling in loveWho knows how love starts
I woke up with you in my heart
Timber, I'm falling in love
Timber, I'm falling in love
Timber, I'm falling in love
