

# Independent Love Song

## The Bates

You could say this was an independent love song  
It's nothing like to us what love ment to them  
That's not to save the love we have isn't big or that strong  
I'm doing it a different way, I'm doing it a different way

You might say this is another boring love song  
To be together and forever be true  
And so today is much the same as it was then  
I'm doing it a different way, I'm doing it a different way

I show you how to take me, ride on, ride on  
I show you how to turn me, ride on, ride on  
I show you how to touch me  
ride on, ride on, ride on, ride on, ride on, ride (on)

Now it's fun that the girls will look my way  
And I'll take them home and let them show me the way  
And sure I like a few but I leave the rest to claim  
I'm doing it a different way, I'm doing it a different way

I show you how to

In a different way, in a different way, in a different Waikiki  
In a different way, in a different way, in a different Waikiki  
In a different way, in a different way, in a different Waikiki  
In a different way, in a different way, in a different Waikiki

I show you how to

You could say this was an independent love song  
It's nothing like to us what love ment to them  
That's not to save the love we have isn't big or that strong  
I'm doing it a different way, I'm doing it a different
