Breaking Down

Superchunk

Can you take this step away?
From the scalp a light in there
Ready when you are
To take it all apart
But light that spook and
What was I thinking?
Whispering on the forehead
Fold your paper go back.And burn that's pursuing
Try to stop listening
Get lost in the series
Follow the countries
And like it's began
When the sun gets it again
Let's stay up here my
Yeah we live by the moonlight.Uhh, breaking down every day
Into slices and sections
and just slide away.
Uhh, breaking down every day
Into voices and frightements
And just flow the way, ohh
Uhhh.Uhh, breaking down every day
Into slices and sections
and just slide away.
Uhh, breaking down every day
Into voices and frightements
And just flow the way, ohh
Uhhh.
