Step On It (Slapshot)

[Kill Your Idols](#)

When we're on the road, we can't be stopped. We're gonna go until we drop Only 200 miles to go step on it, we can't be slow step on it step on it Third stop now, we're right on time. Wake up Gary, we're off the line Twelve hours gone we can't be late Twelve hours more to another state Step on it Step on it Step on it Step on it
