

# Wiped Out

## Off

In my disconnect  
When I shut down  
As this city's weight buries me  
I wanna knock it down I'm wiped out  
I'm wiped out On our haywire Earth  
Negativity  
My vision's turning ugly  
With pain and poverty I'm wiped out  
I'm wiped out Listening to my head  
A ringing in my ears  
I should go into my chest  
And blow away my fears I'm wiped out  
I'm wiped out
