

# I'll Remember April

**Boz Scaggs**

This lovely day will lengthen into evening  
We'll sigh goodbye to all we've ever had  
Alone where we have walked together  
I'll remember April and be glad I'll be content you loved me once in April  
Your lips were warm and love and spring were new  
But I'm not afraid of autumn and her sorrow  
For I'll remember April and you The fire will dwindle into glowing ashes  
For flames and love live such a little while  
I won't forget but I won't be lonely  
I'll remember April and smile I'll be content you loved me once in April  
Your lips were warm and love and spring were new  
But I'm not afraid of autumn and her sorrow  
For I'll remember April and you
