

Son Of Detroit

Kid Rock

I like to play Hank Williams Jr. records
Just as loud as they will rock
I'm into Lynyrd Skynyrd, Run DMC
And DJ Scott La Rock
I like Willie, Waylon, George and Merle
And a lot of ZZ Top
I like country, soul, rock and roll
And I love me some hip hop
I'm a redneck, rock and roll son of Detroit
I don't like no new wave techno band around
When I'ma drink a couple dozen beers I go out and jam some gears
I'm a long haired, redneck, rock and roll son of Detroit
I got a Bourget and a West Coast Chopper
Sure make them women stare
I got a dead flamingo wrapped around
This cowboy hat I wear
I like to cuss, yell, scream, fight
And raise all kinds of hell
And if you ride to live like I live to ride
Let me hear y'all Detroit yell

Redneck, rock and roll son of Detroit
I don't like no new wave techno band around
When I'ma drink a couple dozen beers I go out and jam some gears
I'm a long haired, redneck, rock and roll son of Detroit
I like my whiskey straight up
Daiquiris, they make me ill
And if someone touches my beaver skin
I get mad enough to kill
I got a rifle rack in my pick up truck
I'm a four wheelin' maniac
And if you wanna race just name the place
I'ma show you where it's at
I'm a redneck, rock and roll son of Detroit
I don't like no new wave techno band around
When I'ma drink a couple dozen beers I go out and jam some gears
I'm a long haired, redneck, rock and roll son of Detroit
I'm that long haired, redneck, rock and roll son of Detroit
I'm that long haired, redneck, rock and roll son of Detroit
