

# I Know Him So Well (feat. Emma Bunton)

Melanie C

Nothing is so good it lasts eternally  
Perfect situations must go wrong  
But this has never yet prevented me  
From wanting far too much, for far too long

Looking back, I could have done it differently  
Won a few more moments, who can tell?  
But it took time to understand the man  
Now at least I know, I know him well

Wasn't it good, wasn't he fine  
Isn't it madness, he can't be mine  
But in the end, he needs  
A little bit more than me for security  
I know him so well

No one in your life is with you constantly  
No one is completely on your side  
And though I moved my world to be with him  
Still the gap between us is too wide

Looking back, I could've played it differently  
Learned about the man before I fell  
But I was ever so much younger then  
Now at least I know, I know him well

Wasn't it good, wasn't he fine  
Isn't it madness, he can't be mine  
Didn't I know, how it would go  
If I knew from the start  
Why am I falling apart

Wasn't he fine  
Isn't it madness, he can't be mine  
But in the end, he needs  
A little bit more than me for security  
I know him so well

It took some time to understand him  
Ooh, I know him so well
