New Order

Who saw those dark eyes?
Who saw those dark eyes?
These years gone by
Deep within Burn my skin
All those years gone by
In the heat of the night
All those years gone by Who felt those cold hands?
Who felt those cold hands?
Touch my skin
Deep within Burn my soul
Fell to the ground where I was found
All those years ago
All those years ago
All those years ago Everybody makes mistakes
Everybody makes mistakes
Even me
Just be free This is a place where in the end
It happens in our world within
Time to go
Time to go
